THE 5TH TRANSNATIONAL MEETING of the Start Up for Development project took place in Castellón, Spain on October. The partners from Spain, Bulgaria, Poland and Türkiye met face-to-face, while the partners from Greece attended the meeting online.

The meeting was focused in finishing the last tasks on the project, with emphasis on the 6th module – Smart Economy. In total, the consortium of the project has developed 6 modules:

- ⇒ **Smart Cities**
- ⇒ **Smart Governance**
- ⇒ **Smart Environment**
- ⇒ **Smart Transport**
- ⇒ **Smart Life**
- ⇒ **Smart Economy**

Over the past months, each partner has been responsible for developing training materials, activities related to the topic of the sixth module.

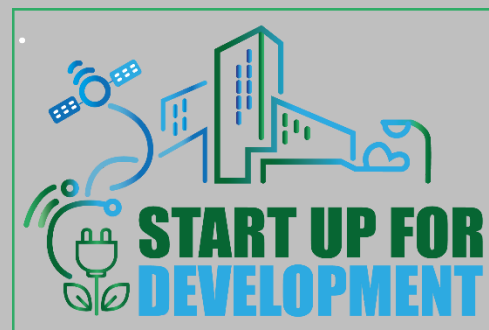

MULTIPLIER EVENTS

In the last months, the project partners also held the multiplier events in their countries, where the project was disseminated to more than 50 people per partner, which was a great success for the project impact.

THE FINAL MEETING was held in Istanbul and Kocaeli in December 2022 and gather all partners face-to-face. The first day of the meeting consisted in cultural visits and smart examples of the city of Istanbul. The second day of the meeting was focused on closing the tasks and presentation about the activities carried out by each partner, as well as presentation about the sustainability of the project dissemination events for the project.

Now is time to register to the platform and access all materials available in the languages of the partners  <https://moodle.startuperasmus.eu/>
